

Georgia Chapter of the Soil and Water Conservation Society

Membership Form

The Soil and Water Conservation Society (SWCS) is a non-profit organization dedicated towards fostering science and the art of soil, water, and related natural resource management to achieve sustainability. With a membership of 6000, the SWCS provides its members and those in the conservation community with policy-directed research done by the Society and outlets for members' own research through publications like the *Journal of Soil and Water Conservation*.

SWCS Membership Benefits

- Effective representation in policy circles on environmental, agricultural, and conservation issues
- Opportunities to network with and learn from professionals across many disciplines through local, regional, and international meetings
- Interaction and education through local chapter membership in the USA and Canada
- *Journal of Soil and Water Conservation*
- E-newsletter *Conservogram*
- Discounts on books and conference or workshop registration fees
- Lapel pin and membership card
- Student memberships are open to full-time high-school students, university undergraduate or graduate students
